

ANTHROPOLOGY

Associate in Arts Degree

The Associate of Arts in Anthropology Degree (AA in Anthropology) is designed to provide lower division education to students planning to transfer to a four-year institution in pursuit of a baccalaureate degree in Anthropology.

Program Learning Outcomes

Upon successful completion of this program a student will be able to:

- Demonstrate a holistic perspective on cultural, environmental, and/or biological systems that addresses cultural values, change, and interactions.
- Apply scientific methodologies, including descriptive, quantitative, or qualitative.
- Articulate key concepts and events in the process of human evolution
- Demonstrate a core knowledge base in anthropology appreciating and reflecting on human diversity in the past and present
