This certificate is designed for student planning to transfer to either the University of California (UC) or the California State University (CSU) system. Students who have the opportunity to learn the basic principles of natural science, social and behavioral science, the humanities and fine arts. Students completing this certificate should understand the basic principle of the academic discipline, their method of inquiry, their history and impact on society and their relationship to each other. The certificate offers students a program of study which meets the requirements of the UC or CSU system. Although the certificate recognizes the completion of lower division courses, it does not guarantee admission to a particular university or school within the UC or CSU system, nor does it guarantee admission to a particular course or courses and college may require a different lower division preparation and/or a higher level than is necessary for this certificate. Students who intend to transfer out of all current UC transfer requirements including minimum and eligibility for certification.

1/1/2020
