

24. Are there any Learning Outcome assessment results (Program Learning Outcomes (PLOs) and/or Student Learning Outcomes (SLOS)) submissions that have been scheduled that were not submitted? If so, please tell us how you will address these submissions.

All degree and certificate PLO have been completed. The only SLO outstanding are for 33B, 34A, 65 & 85. Instructors have been contacted in order to complete them by the end of fall semester 2016.

25. Beyond letter grades, how does your program define student success at the course and program level?

The number of certificates and degree completions is a strong indicator of student success. Also student motivation to complete courses and degrees in order to qualify for employment opportunities is also a measure of success.

26. How have the program's assessments and discussions produced a positive impact for student success? Please share your success stories. The success is reflected in the number of certificates and degrees earned. Also feedback and discussions with the Child Studies Advisory Board.
