### COURSE PURPOSE:

Th s course s designed to help you create greater success n college and n l fe. In the coming weeks, you will learn many proven strategies for creating greater academic, professional, and personal success. We will use guided journal writings to explore these strategies, and as a bonus, you will learn to express yourself more effectively in writing. You may never again have an opportunity quite like this one to discover how to create air ch, personally fulfilling life. I urge you to make the most of this extraord nary opportunity! What you get out of the course is what you put in!

## COURSE RULES FOR SUCCESS

To create the very best env ronment for support ng your success and the success of your classmates, this course has three important rules. The more challenging these rules are for you, the more value you will experience by adopting them. By choosing to follow these three rules you are choosing to be successful not only in this course but in your life. There rules will support your success in every goal you pursue!

- 1. Show up! To support success, I choose to attend every scheduled class per od n ts ent rety.
- 2. Do the work! To support my success, I choose to do my very best work n prepar ng all of my ass gnments and hand them n on t me.
- 3. Part c pate act vely! To support my success, I choose to stay focused and nvolved n every class, offer ng my best comments, quest ons, and answers when appropr ate.
