GOAL 1

Improve student success and retention by refining our Student Success Act implementation efforts.

- a. Fully implement the 2012 Student Success Act.
- b. Further refine the Student Success Plan by developing measurable goals, using progress toward those goals to guide next steps.
- c. Develop an assessment tool to measure the effectiveness of Student Success Act implementation.
- d. Organize informed college conversations about the institution-wide prompts delineated on the statewide Student Success and Equity Crosswalk.

GOAL 2

Decrease the achievement gap by meeting the success and retention benchmarks defined in the 2014 WVC Student Equity Plan.

- a. Conduct a systematic review of all information provided to students (both electronic and hard copy) to ensure accuracy and clarity.
- b. Implement the instructional prompts delineated on the statewide Student Success and Equity Crosswalk and revise the current WVC Student Equity Plan to incorporate these prompts.
- c. Establish and fund Director of Student Equity, Diversity and Success position and office.

GOAL 3

For continuous quality improvement, evaluate and assess institutional effectiveness to guide the development of the Educational and Facilities Master Plan (E&FMP).

- a. Develop a framework for establishing institutional benchmarks.
- b. Address accreditation Self-Evaluation improvement recommendations and reflect in revised E&FMP.
