du**

The student will be able to:

- a. Assess his or her knowledge, skills, and abilities to set achievable goals.
- b. Manage personal health and/or well-being.
- c. Demonstrate dependability, reliability, and accountability.

## **6. Social Responsibility**

The student will be able to:

- a. Demonstrate an awareness of civic, political, and/or social issues and explain the role of the individual in addressing these issues.
- b. Apply ethical principles to personal, academic, professional and/or community issues.

## **7. Global Awareness and Diversity**

The student will be able to:

- a. Explain the sensitivity and skills needed to live and work in diverse local and global communities.
- b. Explain how one or more of the following affects life experiences and social responsibilities: ability, race, ethnicity, class, gender, sexuality, and other markers of social identity.

## **8. Creative Problem Solving**

The student will be able to:

- a. Produce an original creative response that synthesizes research, planning, and practice.
