If you answered that you seldom visit or never visit the library, please tell us why.

Open-Ended Response

I don't live close to library

I can find resources using the web. I also have a quiet office to work in so I do not need a library.
I only come over for meetings.

I am a part-time instructor, so I am only on campus twice a week.

I am able to access materials online.

Not Needed

I feel that I don't need any materials in the library.

I already have the books I need for work

I buy my books online and am not studying at the moment so do not need to do any research.

i do my work at home
Use public Library close to my house.

I u see my pc !

I generally don't have a need to go over there and resources I need I can find on the Library site.
Where I am teaching is not close to the library except in the Summer when your hours are limited
I do any research online. The only reason I come up there is to meet someone, donate books or check on books lo

I go to the Library mostly for meetings. Since I do not take classes there is no need to check-out books for researc
I don't really have the time. A few years ago I used to come in for part of my lunch break.

PERSONAL MOBILITY ISSUES THAT SHOULD BE RESOLVED WITHIN THE NEXT YEAR.

Usually there for a meeting with other faculty - do not teach or use library as resource
Don't check out books.

How often do you use the libraryâ€™s online resources each semester?

Often. At least one or more times per week.

Only one of my classes uses articles from the library databases and I have posted them on my Angel site. I use the

Library typically does not have access to the sources I am seeking

I was not aware of them.
I search for information on the Internet.
Mostly use online resources

I have not looked

Evening instruction hours and library hours do not align well
no need

I would like to have better access to Kinesiology-type journals, etc.

No need
