After you have reviewed your program's goals which are linked to this section by clicking on the flag in the upper right (next to the version information):
- **Check the box reflecting on progress made in meeting the goals.**
- **Add action plans and resource requests using the eLumen strategic initiative functionality.**

In the box below:
- **Please reflect on your program's progress on meeting its goals and their alignment with the College's goals.**
- **Describe results from actions taken and resources received since the last program review progress report.**
- **Describe any notable accomplishments and changes since the last program review progress report.**

In the last ten years, the college enrollment numbers have been steadily declining. Enrollment in spring 2017 was 9,443, and as of fall 2018, the enrollment has fallen to 7,440. The good news is that it seems that we are finally leveling off, as the fall enrollment for fall 2017 was 7,444. Despite these steady declines, we were able to marginally increase student access and participation in orientation, assessment, education planning, counseling, and academic progress probation pouvlrMMs,   ÑMMMMay Ñ

Closing the Achievement Gap
