**Catalog Rights Definition** (as outlined in the Academic Programs section of the [West Valley College Catalog](#)): Students who maintain continuous enrollment, meaning they attended at least one semester or summer session during the academic year, may choose to graduate under the catalog in effect at the time they first enrolled at West Valley College or any catalog up to the time of graduation. Students who are considered returning students, meaning those who did not attend for a year or more before returning to college, must follow the catalog requirements in effect at the time of re-enrollment. Documented military, not exceeding two years, will not be considered an interruption of continuous enrollment.
